Leadership Program

Our Leadership Program has developed quite a reputation in the community! We've always said that the youth themselves are the best PR. Before our mailing has hit the streets, the phone has been ringing and applications have been received for this year's program.

We offer three levels of leadership training: Junior, Advanced and Counsellor-in-Training.

Each of these programs begins on a Tuesday, with base camp on the mainland. For the rest of the week participants learn both hard and soft skills in preparation for the second component of the experience.

On Saturday, participants move over to Camp Lone Cloud and prepare to join the camp on Sunday and support the program, putting to use the skills they have developed the previous week.

The Leadership program has undergone an extensive review this past winter. Demand for the program has grown tremendously since its inception, and the time had come to create a more structured approach. We look forward to an exciting season, and welcome feedback on the results.

Campership

Our promotional brochure for Camp Lone Cloud indicates that pending availability, "No child will be denied the opportunity to experience Camp Lone Cloud due to financial constraints." Requests for support from the sponsorship fund have been steadily increasing over the past few years. It is becoming more and more challenging to seek out funds to offset these requests.

Please help us by identifying sources of funding for sponsorships. Some suggestions are service clubs,

sponsors, and casual day collections at the workplace.

Our thanks to all for their generous contributions. Won't you consider adding your name to the list?

Bring a Buddy

Often young people are hesitant to leave home and spend a week away from what is familiar—family and friends.

We encourage everyone to come and enjoy the spirit of Camp Lone Cloud, so if you know of Cubs who would like to come but aren't quite sure about it all, encourage them and let them know that they may bring a friend with them, whether or not they are currently registered in Scouting.

Those who attend camp and are not members, must complete a Scouts Canada membership registration form and pay \$56.50 which is a portion of the annual fee, thereby entitling them to all privileges and benefits of any registered member.

White Tail Beavers

Keep your White Tail Beavers in mind. Most likely they have participated in a Swimup Ceremony or are about to do so—let them know about Camp Lone Cloud. What better way to start off their Cubbing experience than to spend a week at Camp.

Spread the word!
